

## Leaving a gift in your Will

Leaving a gift in your Will, no matter how big or small, means that Community Wellbeing North Canterbury Trust can continue to help the many hundreds of local families and individuals who need our support each year.

Once you have provided for your family and friends in your Will it's a very simple process to leave a gift to Community Wellbeing North Canterbury Trust.

There are different types of gifts you can include in your Will:

- A residual gift – once you've provided for your family, you can leave what remains (the residual part of your estate) to Community Wellbeing North Canterbury Trust.
- A percentage – you may choose to gift all or a percentage of your estate to Community Wellbeing North Canterbury Trust. This way if the value of your assets increase or decrease in time, so does your gift.
- A specific gift – this could be a set amount of money, shares or real estate.

Once you know what type of gift you may like to make please contact your solicitor to help guide you through the process of creating a Will or adding a gift to Community Wellbeing North Canterbury in your existing Will.

100% of your gift remains in North Canterbury to help local families and communities, guaranteed.
